**My daughter \_\_\_\_\_ can ride in other people's cars for Girl Scout-related outings under the following conditions:**

\_\_\_\_\_ My child weighs 40 pounds or less is under age 8 or under 4'9" tall, and **must** be transported in a forward facing child safety seat at all times. I will provide the seat.

If a child is over 40 pounds, ONE of the following must be checked. If neither of the following is checked, then the child must have a belt-positioning forward facing child safety seat when travelling on Girl Scout outings.

\_\_\_\_\_ My child weighs over 40 pounds AND is older than 8 years old or over 4'9" tall. She has my permission to ride in a car without use of a booster seat.

\_\_\_\_\_ My child weighs over 40 pounds but I require that she must still ride in a belt positioning booster seat when transported by other drivers to Girl Scout functions. I will provide that seat for each outing.

\_\_\_\_\_ My child may ride in the front seat of a car (with or without a booster seat, as specified above) if there is no passenger-side airbag, or if it is disabled.

I affirm that I have authority to specify the conditions under which my child can be transported to/from Girl Scout functions by others. This form is in effect unless updated in writing.
